1. About MintyTraders

MintyTraders provides automated trading signal software, AI-powered analytics, and educational content related to futures trading. We are a software and education company — not a broker, financial advisor, investment firm, or registered investment advisor (RIA).

All trading activity is conducted by the subscriber using their own brokerage account at their own discretion.

2. Eligibility

You must be at least 18 years old to use MintyTraders. By subscribing, you confirm that:

- You are at least 18 years of age
- You are legally permitted to trade futures or financial instruments in your jurisdiction
- You understand the risks involved in trading and accept full responsibility for your trading decisions
- You are not located in a jurisdiction where such services are prohibited

3. Services & Subscriptions

MintyTraders offers monthly subscriptions, one-time setup/onboarding services, and optional mentorship programs. Service availability may vary and we reserve the right to modify features with reasonable notice.

4. Billing & Payments

Subscriptions are billed monthly on your original purchase date. By subscribing, you authorize recurring charges to your payment method.

- All prices in USD
- Billing is automatic unless cancelled before renewal
- Failed payments may result in service suspension

- Payment data is handled by third-party processors, not stored by MintyTraders

5. No Financial Advice

MintyTraders provides software tools and educational content ONLY. Nothing on our platform constitutes financial advice, investment advice, or a recommendation to buy or sell any security or futures contract. You are solely responsible for all trading decisions.

6. Risk Disclaimer

Trading futures and leveraged instruments involves SUBSTANTIAL RISK OF LOSS. You may lose more than your initial investment.

- Past performance is not indicative of future results
- Backtested results have inherent limitations
- Only trade with capital you can afford to lose entirely

7. Limitation of Liability

MintyTraders is not liable for trading losses, service interruptions, broker-side execution issues, or any decisions made based on our platform. Our total liability shall not exceed amounts paid in the 30 days preceding the claim.

8. Acceptable Use

You agree not to reverse-engineer, copy, redistribute, or resell our software or signals. Account sharing and unauthorized sublicensing are prohibited.

9. Account Termination

We may suspend or terminate accounts for Terms violations, fraudulent chargebacks, abusive behavior, or unauthorized redistribution of our software. No refund is issued for termination for cause.

10. Dispute Resolution & Arbitration

■ **IMPORTANT:** Disputes are resolved through binding individual arbitration, not court or jury trials. Class actions are waived.

Contact support@mintytraders.com first and allow 14 days for informal resolution. Unresolved disputes proceed to binding arbitration under AAA rules. Governing law: State of Texas.

11. Changes to These Terms

We may update these Terms periodically. Continued use constitutes acceptance. Material changes will be communicated to active subscribers with at least 14 days notice by email.
