1. About MintyTraders

MintyTraders provides automated trading signal software, AI-powered analytics, and educational content related to futures trading. We are a software and education company — not a broker, financial advisor, investment firm, or registered investment advisor (RIA).

All trading activity is conducted by the subscriber using their own brokerage account at their own discretion.

2. Eligibility

You must be at least 18 years old to use MintyTraders. By subscribing, you confirm that:

- You are at least 18 years of age
- You are legally permitted to trade futures or financial instruments in your jurisdiction
- You understand the risks involved in trading and accept full responsibility for your trading decisions
- You are not located in a jurisdiction where such services are prohibited

3. Services & Subscriptions

MintyTraders offers monthly subscriptions, one-time setup/onboarding services, and optional mentorship programs. Service availability may vary and we reserve the right to modify features with reasonable notice to subscribers.

4. Billing & Payments

Subscriptions are billed monthly on your original purchase date. By subscribing, you authorize recurring charges to your payment method on file.

- All prices listed in USD
- Billing is automatic unless cancelled before the renewal date
- Failed payments may result in service suspension
- Payment data is handled by third-party processors, not stored by MintyTraders directly

5. No Financial Advice

MintyTraders provides software tools and educational content ONLY. Nothing on our platform constitutes financial advice, investment advice, or a recommendation to buy or sell any security or futures contract. You are solely responsible for all trading decisions. We strongly recommend consulting a licensed financial professional before trading with real capital.

6. Risk Disclaimer

Trading futures and other leveraged financial instruments involves SUBSTANTIAL RISK OF LOSS and is not appropriate for all investors. You may lose more than your initial investment.

- Past performance of our signals is not indicative of future results
- Hypothetical or backtested results have inherent limitations
- No representation is made that any account will achieve profits similar to those shown in marketing materials
- Only trade with capital you can afford to lose entirely

7. Limitation of Liability

To the maximum extent permitted by applicable law, MintyTraders shall not be liable for any direct, indirect, incidental, consequential, or punitive damages arising from trading losses, service interruptions, broker-side execution issues, or any decisions made based on our platform. Our total liability shall not exceed the amount you paid to us in the 30 days preceding the claim.

8. Acceptable Use

You agree not to reverse-engineer, copy, redistribute, or resell our software, signals, or dashboard. Account sharing and unauthorized sublicensing are prohibited. Violation may result in immediate account termination.

9. Account Termination

We reserve the right to suspend or terminate accounts for Terms violations, fraudulent chargebacks, abusive behavior, or unauthorized redistribution of our software. No refund will be issued in cases of termination for cause.

10. Dispute Resolution & Arbitration

■ **IMPORTANT:** *Disputes are resolved through binding individual arbitration — not court, jury trials, or class actions.*

Please contact support@mintytraders.com first and allow 14 days for informal resolution. If unresolved, disputes will proceed to binding arbitration under the rules of the American Arbitration Association (AAA). You waive the right to a jury trial and participation in any class action. Governing law: State of Texas.

11. Changes to These Terms

We may update these Terms periodically. Continued use of our services after changes are posted constitutes acceptance. For material changes, we will provide at least 14 days notice to active subscribers via email.
